**FRONT COVER** — Yule Marble Quarry in Marble, Colorado. Those that attended the field trip at the AIPG 2003 Annual Meeting got to peer into the Yule Marble Quarry, intermittently active since 1885, and view the source of metamorphosed Mississippian Leadville limestone that was used for the Lincoln Memorial, the Tombs of the Unknown Soldiers, and the Montana State Capitol. Photo by Doug Peters, CPG-08274.
